Subj: NATOPS GENERAL FLIGHT AND OPERATING INSTRUCTIONS

Encl: (1) NATOPS General Flight and Operating Instructions

1. <u>Purpose</u>. To issue enclosure (1) that provides policy and procedural guidance applicable to a broad spectrum of users and complements individual NATOPS manuals.

2. Cancellation. OPNAVINST 3710.7R.

- 3. <u>Background</u>. The Naval Air Training and Operating Procedures Standardization (NATOPS) Program is a positive approach toward improving combat readiness and achieving a substantial reduction in the aircraft mishap rate. Standardization, based on professional knowledge and experience, provides the basis for development of sound operating procedures. The standardization program is not intended to stifle individual initiative, but rather to aid commanding officers in increasing their unit's combat potential without reducing command prestige or responsibility.
- 4. <u>Reproduction</u>. Duplication of this publication for other than military use, without specific authority of the Chief of Naval Operations, is not authorized.
- 5. <u>Instructions</u>. All instructions that are cited in the text are listed (with their current suffixes) in Appendix C.
- 6. <u>Reports and Forms</u>. Reports and forms required by this instruction are listed on pages xxi and xxii.
